Women And Leadership In Health Care The Journey To Authenticity And Power - Paul has a 20+ year career in health, twelve of those at CEO level. He has significant experience and credibility in governance and has served on multiple government committees. He has held Board Chair and continues to hold Board Director positions. We know that caring for women across the world will ensure a healthier future and stronger global economy. We're proud to partner with organizations and implement programs to champion the young global leaders of tomorrow. 2 Integrating Behavioral Health Across the Continuum of Care Acknowledgments The Health Research & Educational Trust, along with the Hospitals in Pursuit of Excellence staff, Featured.
